Karaj Azad University	**Teaching assistant** Teaching electromagnetics And Teaching Matlab
Rayan Khodro Company Tehran, Iran	**Microcontroller programmer , Schematic designer , Technician** Design and manufacture of diagnostic (diag) vehicles

EDUCATION

Karaj Branch of Islamic Azad University   Bachelor's degree, Technology of
                                                 Electronic engineering
September 2012 to April 2014

Shamsipour Technical and Vocational   Associate degree, Electronic
College   engineering
September 2010 to June 2012

SKILLS

C++
MATLAB
AVR Micro Controller
proteus
Git Version Control System
java core
Altium Designer
Visual C# .Net
Android Programming
programming of microcontrollers ARM
keil IDE
Embedded Systems
SQL Server _ MySQL
Labview
WPF
Socket Programming
Web Programming with MVC.net
Bootstrap Framework
Front-end Developer

LANGUAGE SKILLS

Python

ACHIEVEMENTS

Military Service   Completed
